## *This month's Christian value for life: HUMILITY*

Tuesday 6<sup>th</sup> February 2018

Dear Parents,

This month our value is 'Humility' and some of our pupils will soon be leading assembly in school to explore what this means. We will learn throughout February how humility can help us in our lives and with our learning.

### **'Fully Charged!' Science Week**

We have started SCIENCE WEEK and the children are already enjoying super science challenges and extra-curricular activities inspired by electricity.

We are looking forward to science shows by the Royal Institute later this week. Parents are warmly invited to attend these shows which will take place in the school hall on **Thursday 8<sup>th</sup> February**:

- 10:45am – 11:45am Buttercups and Poppy
- 1pm – 2pm Willow and Oakwood

Please let the office know if you would like to attend.

We would love to share our work with you on **Friday 9<sup>th</sup> February from 2:45pm**. Feel free to join us in the hall and around the school to see what the children have been working on.

A reminder that we are visiting the Observatory Science Centre at Herstmonceux on Wednesday 21<sup>st</sup> February for the day. Please return the permission slip and payment by this Friday.

### **Safer Internet Day 2018**

Today the pupils have explored online safety as part of Safer Internet Day. This year's theme is *Create, Connect and Share Respect*.

To see the resources you may visit <https://www.saferinternet.org.uk/safer-internet-day/2018> and there are some great ideas and advice available at <https://www.bbc.com/ownit> – please always feel free to contact us if you have concerns or questions about internet safety for your children.

### **Missing coat**

Please look out for a black Next coat with Herbie's name in it. This is missing and we are hoping that someone has accidentally taken it home; many thanks for your help looking.
