## *Everyone is a gift and everyone is gifted*

Tuesday 14<sup>th</sup> January 2020

Dear Parents,

Please see attached our curriculum overviews which provide a summary of our learning across different subjects this term. We have fantastic themes underpinning our teaching and learning in each class: **Zoom To The Moon** (Buttercups), **Stones and Bones** (Poppy Class), **Cosmic** (Willow) and **The 1960s** (Oakwood). We are in the process of planning some exciting visitors and school trips to enrich the children's experiences further – more details soon.

### Clubs

All clubs have started this week and end at 3:45pm, apart from Smart Raspberry Cookery which ends at 4pm. Clubs will run for 10 weeks – there are no sessions in the final week of term (week beginning 30<sup>th</sup> March).

### Trainee Teacher in Poppy Class

We look forward to welcoming Miss Hannah Beadle to Poppy Class as part of her teacher training through School Direct. Miss Beadle already has excellent class experience and will be teaching groups of children to support our team during her two-month placement. Miss Molloy, Mrs Slade, Mrs Plowman and Mrs Thorpe continue to lead the teaching and learning and we are always keen to strengthen our team with high quality trainees from the University of Brighton. Please let me know if you have any questions.

### Co-op Fundraising

Dear all,

As you may recall, Friends of Twineham School have been selected as one of this year's Co-op local causes, to raise funds for a new outdoor classroom which will benefit both the children and the local community. An outdoor eco-friendly learning space will help us become an eco-school with more environmental awareness in our curriculum. We will invite local families and members of the community to eco events and bushcraft or forest school experiences, as well as sharing the space with other schools, pre-school children and friends of the school, which will bring the community together.

The Co-op will donate money to this cause every time a Co-op member buys own brand goods, which can include products in the food stores, Funeralcare, and products such as insurance and legal care.

**We have raised over £200 already, so a very big thank you to everyone who has signed up to the cause so far.**

**If you haven't signed up, please click on the link below; please encourage as many friends and relatives to do so too, and share as widely as possible on social media:**

<https://membership.coop.co.uk/causes/39953>

**choose 'sign in' if you have a co-op card, or 'become a member' if you don't (membership is £1).**

### Co-op Local Community Fund - Friends of Twineham School (FOTS)

The Co-op Local Community Fund is supporting Friends of Twineham School (FOTS). Become a member or sign in to choose a local cause to support.

[membership.coop.co.uk](https://membership.coop.co.uk)

**Then once you receive your membership card, all you need to do is make sure you swipe it every time you buy own brand products in the Co-op. You will earn yourself 5% of the total to spend in store, and 1% will go towards FOTS.**

Our nearest store is in Hurstpierpoint, but members can use their card in any Co-op around the country to raise funds, as long as they have chosen FOTS as their cause.

Please sign up and share as soon as possible, as this scheme will run until 24th October 2020 and the sooner we sign up, the more money will be raised.

Thank you!  
Nicola Brotherton
