This month's value for life: SERVICE

Tuesday 5th June 2018

Dear Parents,

Welcome back – we hope you all enjoyed a great half-term week; it has been fantastic hearing about all the fun adventures children experienced over the week. Our new value for this month is 'Service' and we are going to explore how we 'serve' each other and our community. We are going to support each other with our learning and celebrate how we help each other at school to make society a better place.

Healthy Snacks

Please ensure that pupils bring healthy snacks for playtimes such as fresh fruit. Children don't get to brush their teeth after these snacks so it is important to avoid too much sugar. We appreciate that packed lunches will contain a balanced range of food and everyone has different tastes, but we would like to see healthy choices at break time to help look after children's teeth as well as possible.

PE Kits

Please ensure that your child has their PE kit in school every day. We have a sporty half-term ahead so it is very important that children can participate fully in their PE kit and trainers.
