Dear Parents,

Sports Day

We are looking forward to Sports Day tomorrow for the children, we are sorry that families can't join us onsite.

Everything should be more normal from September, but West Sussex County Council have urged schools to avoid any 'super-spreader' activities and to keep bubbles separate at this stage. It's important to avoid risk just before you can all enjoy a summer break.

Please can your child wear a top in their team colours tomorrow, if

possible. This is easier for our blue team, **Neptune**, who can wear their Twineham PE tops! However do not worry if you don't have a coloured top available at such short notice – we have bands and bibs - it's fine if your child is in suitable PE wear.

We look forward to sharing events with you more when school restrictions are eased. You may have seen news reports sharing Gavin Williamson's announcement that bubbles will no longer be used in the same way from the Autumn Term. We are reviewing risk assessments in line with these latest developments – more details will follow soon.

Book Wishlist

We are looking to update our school library. In the absence of our formal fundraising events, we wondered if you would like to buy and donate a book to the school. We have included a wish list, a bit like a wedding list, with books we think will delight, amaze and encourage our young readers! This is a wish list, we do not expect them all, but would be very grateful to receive any donations from the list.

https://www.amazon.co.uk/hz/wishlist/ls/OOGC7BER1LU3?ref=wl_share

We would like to include a book plate with the name of the family who have gifted the book inside each donation. Thank you!

Education in Burgess Hill: Northern Arc Consultation

West Sussex County Council are asking for your views:

West Sussex County Council would like to hear your views on the building of a new all through free school (for children aged 4 – 16) with additional Early Years and Special Educational Needs and Disabilities facilities over two sites in the Burgess Hill area. This is in response to significant housing development to the North of Burgess Hill known as the Burgess Hill Northern Arc and a large number of smaller developments in the Haywards Heath and Hassocks area. We would like to hear your views on the proposed specification of the school and what kind of sponsor you would like to see run the facilities.

The County Council plans to seek expressions of interest for a sponsor in June 2021. Based on local views, and the recommendation of educationalists and local politicians, the County Council will recommend to the Secretary of State for Education who should run the new school. It is the Secretary of State that takes the final decision on who provides the school.

Please see more details attached. For more details and to submit views, please visit the online consultation **by 26th July**:
