

Oakwood Class: Spring Curriculum News,
This term's topic:

P.E.
This term we will be playing hockey and football.

History
This term we will be investigating some key events and people from the 1960s.

PSHCE
We will be building on our residential trip and developing skills to support each other.

Literacy/Grammar
Oakwood class will be finely honing our reading comprehension skills. We will also be concentrating on writing for a range of purposes: to inform, persuade, entertain and discuss.

Art & Design
Exploring 60s art including 'Pop Art' and making our own "Andy Warhol" style pictures.

R.E.
As well as visiting a mosque, the class will look at the impact of some extraordinary human beings.

Maths
Number: Learning to work with decimal fractions, percentages, ratio and proportion, algebra and metric and imperial measures.
Shape: Perimeter, area and volume.

Computing
How are algorithms, searches and using computers for research all connected?

Science
Due to swapping our planned topic for 'the human body' in the autumn, we will be studying 'circuits' this term.
