Frequently asked questions

Q. What costs are involved?

A. The rental of the instruments and lessons come as a complete package. The cost of this is £6.50 per week.

Q. When do I pay?

A. Invoices will be issued at least two weeks in advance of the end of each half term. Payment is due within 14 days of the invoice date.

Q. How do I pay?

A. Either online or by sending a cheque to the address on the invoices.

Q. How long are the lessons?

A. We endeavour to provide at least 20mins.

Q. How many students per group?

A. Experience shows that 3 per group works best.

Q. What happens if damage occurs to the instruments?

A. Consumables such as guitar strings, plectrums, sticks and drum skins can be purchased from the tutors. Extensive damage must be reported to the tutors for repair by ASR and paid for by the parents/guardian.

Q. What happens if the student wants to finish lessons?

A. It is recommended that the student has at least one full half term of lessons before deciding on finishing. This gives the student time to settle in and get to know the instrument. If, in the unfortunate case the student wants to finish, then half a terms notice must be given.

Q. What happens if the tutor realises that the student has not got the musical ability?

A. We think as tutors, it is unfair for the student to continue with lessons if no progress is being made. The ASR tutors will inform Parents/Guardians if any problems arise.

Q. What happens if the student has his own equipment?

A. The total cost per week is then £5.00
