Spread your wings and fly

Safeguarding News

It has come to our attention that many of our children are playing games and apps, not appropriate for their age, e.g. 'Roblox,' (age 10+). See below for a fantastic website, giving advice on games and apps, that your children might be playing so you can make an informed decision as to whether or not they are appropriate for your children to use:

Recommended Reads

The Creakers by Tom Fletcher
Lucy Dungston has woken up to find all the grown-ups in her town have disappeared.
Lucy's friends are thrilled there are no more grown-ups. They're running wild! They're building roads of trampolines, & eating cereal for every meal. But Lucy wants her mum back, and nothing is going to stop her.

Notices, News and Updates

In June, all Year 4 children in the country are tested on their times-tables by the government.

The multiplication facts they learn are so vital in helping your child to make progress in many areas of maths.

Throughout the year the children may watch clips from PG films to support their learning. If you have any questions about this, please see your child's class teacher.

Useful Information

PE kits need to be in school every day.
Reading diaries will be checked every Friday.
Swimming is on a Tuesday.
Spelling test is every Friday.
Please support your child in learning their spellings. Children will often be asked to learn a rule to apply to their spellings.
Please can you ensure your child always has an old shirt/apron in their PE bag for art as they can get messy!
