

The Government has announced (<https://www.parliament.uk/business/publications/written-questions-answers-statements/written-statement/Commons/2020-03-23/HCWS176/>) that it will not publish any school or college level educational performance data based on tests, assessments or exams for 2020. This update published here (<https://www.gov.uk/government/publications/coronavirus-covid-19-school-and-college-performance-measures>) clarifies what this means for the way school and college accountability will operate for 2019/20.
