## Decorations Day and Christmas Fair Newsletter

Dear parents and carers,

Here is a brief newsletter to share with you our fantastic morning of making decorations and information about the Christmas Fair. A more detailed newsletter will be sent next week.

The children worked together in house teams to create amazing decorations to go on our Christmas Tree. The children will take the decorations home at the end of the term.

The House Captains unwrapped the tree. The tree was donated to us by Bolney Nursery.

We made our decorations listening to Christmas songs.

The school council added the lights.

Thank-you very much to all the wonderful parents who helped us today.

We added the decorations to the tree over the morning.

To watch a time-lapse film of the tree being decorated please click [here](#).

## Christmas Fair

We look forward to seeing you at our Christmas Fair tomorrow.

Doors open at 2pm

There are lots of exciting stalls,  
things to make and things to do.

Santa will there too!

Thank-you very much for all your kind donations, including wonderful tombola prizes, preloved items and fabulous jam jars filled with goodies.

We are very grateful to the Friends of Bolney who have worked so hard to organise this wonderful event.
