

History

- Life in prehistoric times
- Relate prehistoric events to our local area - Banwell Bone Cave
- What did it mean to be a hunter gatherer?
- Research and develop our understanding of a significant historical location - Stonehenge
- Changes from Stone Age to Iron Age

PE

- REAL PE - Cognitive focus on agility (reaction / response) and coordination (ball skills)
- Tennis / Tag Rugby / Netball
- Invasion games

RE

Why are some journeys and places special?

- Practices associated with pilgrimages and special journeys
- Understand significance of a Christian baptism and a Muslim naming ceremony
- Consider what makes the journey of life worthwhile

Science

- Focus on fossils and bones recognising that things have changed over time
- Properties and changing materials:*
 - separating mixtures
 - dissolving
 - irreversible changes
- Investigations linked to the above to develop prediction, observation and drawing conclusions

French

- Develop vocabulary and key verbs, for basic conversational French; use for greetings to describe family life and interests.

Maths

- Place Value
- Written methods for addition, subtraction, multiplication and division
- Statistics
- Perimeter and Area
- Times tables

Art, Design & Technology

- Research cave paintings; focus on Lascaux Caves
- Use a range of materials to improve design techniques: design a cave painting
- Sculpt with a variety of materials - create a 3 d wolf
- design and make a shelter

We're Going On A Bear Hunt... A Stone Age Quest

Big Idea: Respecting yourself and others. Showing resilience and courage in everyday life.

Year 5

Computing

- E-safety
- Use a variety of software to design and create an animation on ipads
- Use the internet to research
- Make an e-book to present a story

English

Class Book: Wolf Brother

- Diary writing
- Drama
- Explanation text: Cave formation
- Non chronological report on wolves
- Write a quest story linked to Stonehenge
- Eloquence: Discursive focus: Should animals be kept in zoos?
- Eloquence: Oral storytelling

WOWS

- Explore Banwell Bone Cave
- Visit to Wild Place, Bristol
- Investigate Stonehenge
- River project
- Outdoor activities e.g. collecting wood, making fires and shelters
- Oral storytelling around a fire

Geography

- Cave & River formation
- Water cycle
- Locate rivers and hills on a map
- Use field work to observe, measure and record key features of River Banwell
