SPRING TERM 1 - WEEK 1

What a great first week back it's been!

After all the excitement of the festive period, almost everyone has come back to school refreshed and ready to go.

Unfortunately, however, Mrs LDL has been poorly over the Christmas holidays and we hope that she recovers quickly so she's back with us soon.

We will try to send out class newsletters as soon as we can detailing all the exciting Spring term learning that each class will be experiencing over the coming weeks.

In this newsletter, there are a few general reminders as we start a fresh term and some important dates for the diary...

Here's to a super successful 2020!

Happy Friday,

Mr Gynn

Student Teacher in Beech Class

From Monday 13th January, Beech Class will be hosting a trainee teacher, Miss Emily Howard from Plymouth Marjon University.

This school experience provides student teachers with opportunities to further develop and consolidate their knowledge, skills and understanding and also to demonstrate sustained practice over an extended period.

By this stage in their training BEd student teachers will have had previous school experience placements in a variety of settings and across Key Stages. Miss Howard will be closely mentored and supported by Mrs Williams and Mr Heagney.

We look forward to welcoming Miss Howard to Luxulyan School.

NHS VISION SCREENING—ASH CLASS

All children in reception will have their vision tested on Wednesday 29th January 2020 unless we have received a green 'Child Health Checks at School Form' which gives you an opportunity to opt out. This form was sent out in September 2019.
