

EGLOSKERRY PRIMARY ADMISSIONS POLICY 2020/21

Updated on: January 2019

Review by: LJS

Launceston College
A Multi Academy Trust

Introduction

All schools within the Launceston Multi Academy Trust are academies and the Trust is the Admission Authority for these schools. The academies will participate fully in the Local Authority's Fair Access Protocol and the Local Authority's Co-ordinated Admissions Schemes. Details of these schemes are available on the Council's website (www.cornwall.gov.uk/admissions or www.devon.gov.uk/admissions) or on request from the appropriate Local Authority. Closing dates and other details about the application process will be stated in those Schemes.

Egloskerry Primary School

Applying for a place

All applications for places in Reception or during the school year must be made direct to the applicant's home local authority on the appropriate application form. The application form and supporting information will be available electronically on the local authority's website or in paper form on request from that local authority.

However, if your child has an Education, Health and Care (EHC) Plan or Statement of Special Educational Needs, you **do not need** to complete an application form as a school place will be identified through a separate process. Please contact the **SEN Assessment and Provision Team** for more information: Tel: 01872 324242, Email: specialeducation@cornwall.gov.uk. However, if a request has been made for an EHC needs assessment for your child, or your child is currently being assessed to decide whether an EHC Plan is necessary, you will need to make an application using the normal process.

Allocation of places

Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school will be admitted regardless of the number on roll in the year group.

Children in Care who are directed to the school by the Local Authority (or Secretary of State in the case of academies) will be admitted to the school regardless of the number on roll in the year group.

The published admission number (PAN) for Reception in 2020/21 will be 15. Places will be allocated up to this number. In the event that more applications are received than places available, the oversubscription criteria listed later in this document will be used to decide on allocations. If the school is not oversubscribed, all applicants will be admitted.

Deferred entry

All children are entitled to start school full-time in the September following their fourth birthday. However, parents may choose deferred or part-time entry to the reception year for their child, bearing in mind that by law children have to be in full-time education by the start of the term following their fifth birthday – when they reach 'compulsory school age'. Parents of summer-born children may also seek a place for their child outside their normal age group i.e. entry to reception a year later than normal, for example if the child may naturally have fallen into a lower age group if it were not for being born prematurely. Parents choosing part-time or deferred entry or wishing to delay entry to the reception year must contact the Principal.

Compulsory School Age = Your child is of "compulsory school age" on the 1st January, 1st April or 1st September following their 5th birthday. Children becoming 5 years old between 1st January and 31st March are of compulsory school age at the beginning of the term after 1st April.

Admission of children outside their normal age group

Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Those wishing to request placement outside the normal age group should contact the Principal. Such requests will be considered on a case-by-case basis and in the best interests of the child concerned. Guidance can also be found at www.cornwall.gov.uk/admissions or on request from the School Admissions Team.

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. However, they do not have a right of appeal if they have been offered a place and it is not in the year group they would like.

Appeals

Applicants refused a place at the school have the right of appeal. Appeals are heard by an independent appeals panel arranged for Egloskerry Primary by the Launceston College MAT Board. All appeals hearings will be in line with the DfE statutory guidance as set out in the School Admissions Appeals Code. Applicants can only appeal again for a place in the same school within the same academic year if the admission authority for that school has accepted a further application because there has been a significant and material change in the circumstances of the parent or carer, child or school (e.g. a change of address into a school's designated area), but has determined that the new application must also be refused.

Waiting lists

If the school is oversubscribed, a waiting list will be held for the whole of the academic year and parents/carers can request that their child is added to this list if they are refused a place. The waiting list will be based on the school's oversubscription criteria and a child's place on a waiting list is subject to change according to additional information received about applications or children being added to the list – so their place on the list might move up or down. **No priority is given to the length of time that a child has been on the list.** Children with an Education, Health and Care Plan and children in care or children that were previously in care will take precedence over those on the waiting list. Children admitted under the Fair Access Protocol will also be given priority over children on the waiting list.

Oversubscription Criteria

In the event of there being more than **15** applications for places in reception for the 2020/21 academic year or more applications than places for any year group during the school year, the following oversubscription criteria will be used to prioritise applications, after the admission of children whose Statement of Special Educational Needs or Education, Health and Care Plan names the school:

1. Children in care and children who were previously in care but immediately after being in care became subject to an Adoption, Child Arrangement, or Special Guardianship Order.
2. Children of staff who work within Launceston College MAT:
 - Where a member of staff has been employed by the MAT for two or more years at the time at which the application to the Academy is made; and/or
 - Where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

3. Children who live within the designated area of the school, as defined by the Local Authority, or whose parents/carers can provide evidence that they will be living in the designated area of the school by the beginning of the autumn term of the 2020/21 school year.

If there are more designated area children wanting places than there are places available after the allocation of children under criterion 2, criteria 3 to 5 below will be used to decide which of these children should have priority for admission. If there are still places available after all the designated area children have been allocated places, criteria 3 to 5 will be used to decide which of the remaining children should have priority for any spare places.

4. Children with an unequivocal professional recommendation from a doctor, school medical officer, educational psychologist or education welfare officer that non-placement at the school would not be in the best interest of the child. Such recommendations must be made in writing and must give full supporting reasons and will be reviewed by the LA.
5. Children with siblings who will still be attending the school at the time of their admission.
6. All other children.
