- **Health Box:** We have children attending the school who are prone to picking up infections more easily, so we thought it may be a good idea to include a health box in our weekly newsletter.
- We would ask if parents could please inform the school of any infections, viruses or diarrhoea and vomiting that your child may have, as you usually do. Could you please also inform us of any of the above which your children may have been in contact with recently without showing any symptoms, so that we are all aware. Please remember that all children should be at home for 48 hours following sickness or diarrhoea. Thank you.
- **A note regarding Hearing and Vision Tests:** It is very important to ensure your child does not have any problems with their hearing or vision. Screening is carried out in school, by the NHS, for Reception age children, but do please get in touch with your doctor or the School Nurse if you would like tests done at any other time. To contact the Nurse, phone 01288 320152. For vision tests, please contact your local optician, as tests are carried out free of charge for children. If you would like a referral to the School Nurse, please ask at the school office.
- **Headlice:** if necessary, please see the information on our website about the treatment of headlice.
- **Medicines/Cough Sweets etc:** please could *all* medicines, cough sweets, antiseptic creams etc be brought to the office, labelled with the child's name. We can administer medicines during the school day; we just need your instructions (a form is available to complete). Any medication kept in a bookbag or rucsac during the day could be picked up by another child, who might be allergic to it. Your child is also welcome to come to the office at break times to take a cough sweet etc. Thank you.
