Learning Journey Trust Statement

Dear Parent or Carer,

This Learning Journey is used to reflect your child's time at our setting. It includes observations of your child at play, photographs and other information. The aim is to provide you with a continuous picture of your child's time at our setting. The learning journey therefore captures your child's own personal journey, based not their individual starting point, interest and experiences.

We hope that you will also be able to contribute information, perhaps by including some photographs or 'wow' moments which show what your child enjoys doing at home. This information will help us to ensure that the care, learning and development opportunities we offer your child compliment those you already offer.

Please remember however, that this learning journey contains personal data that relates not only to your child, but to other children who attend our early years setting. It is likely, for example, that some of the photographs will capture other children at play. Permission has therefore been obtained to include such information in your child's learning journey, however it must be remembered that such data is shared for your own personal use only. This means that the information cannot be shared with others or publicised in any way, without the explicit consent of the child's parents. For example, photos cannot be displayed on a social networking site or a public place.

Please sign the below consent for your child's learning journey.
