

Reception- Cordelia for having a positive attitude towards her learning.

Nursery- Darcey for completing all of her challenges.

Message from Early Years

What a fantastic week we have had in Early Years. We have been on a sensory walk, re-telling the story 'We're going on a bear hunt', made our own collage bear using brown paper, made caves in the construction area, saved the bears from the mud (angel delight), made bears out of playdough, made potato print bears and much more.

In literacy this week, we have been reading the story 'We're going on a bear hunt'. We have sequenced the story using pictures. We made a story map and used this to re-tell the story using actions.

In maths this week, we have been continuing to practice adding two groups together as well as subtracting numbers by partitioning. We have been using the vocabulary '**subtraction, is equal to, addition, add, plus, altogether, part, part, whole**'.

In theme this week, we took part in a barefoot sensory walk. We used super vocabulary to describe how it felt on our feet such as slimy, gooey, soft, fluffy, bumpy, rough, wet, cold, freezing.

Remembrance Day

The Early Years staff would like to say how proud we were of both Nursery and Reception children during the 2 minutes' silence. They closed their eyes and kept super still and quiet as we remembered those who fought for our country.
