Notes from Recent School Council Meetings – July 2022:

- We have talked about what a school council does.
- We have talked about how we are kept safe in school;
- We have talked about how hard it was returning to school over the last few years after lockdowns
- We have talked about what we like about school;
- We have talked about what we think school could do even better to help us learn;
- We have talked about homework – what we like and what we find tricky.

Current Projects:

- School council members have just completed the Christmas Card Project with Mrs Cadman
- School council members would like to ask children for:
 - their ideas on fundraising and create future events
 - their ideas for sponsored events
 - what they would like to do to improve our school
- School council members would like to ask staff to create learning competitions between classes – which class are the best spellers? Which class are the best readers? Which class know their times tables the best?

Suggestions / Discussion Notes!

- School council members have a pink folder that contains: School council meeting dates, 'What is a school council?' flyer, and suggestion slips to collect ideas from their class. We also have a noticeboard in the KS2 Hall
- School council members would like to find out:
 - if there is anyone in school who finds homework tricky so we can help each other
 - if there are any parents that find helping their children to do homework tricky
