## Pupil Premium Strategy Statement

2020 - 2021

This Pupil Premium Strategy outlines how our school has spent the Pupil Premium allocation in 2020 – 2021 and how it plans to spend it during the rest of this academic year. It also outlines our key principles and reasons for spending the Pupil Premium in the way that we do; the progress that children in receipt of the Pupil Premium are making and the impact this funding is having on these children.

### Chadsmead Principles and Objectives

The Pupil Premium was introduced to address the underlying inequalities between children eligible for free school meals and their peers. It is allocated to schools to work with pupils who have been registered for free school meals, Service children and Looked After Children at any point in the last six years. Eligible children must be of statutory school age (Reception to Year eleven).

Arrangements to pay schools vary between Local Authorities however schools are free to spend the Pupil Premium as they see fit. Our approach and vision for our pupils is to ensure that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decision on how to use the “Pupil Premium” are based on findings of high quality research and publications as well as OFSTED’s best practice guidelines. These have supported our decision and expenditure in order to make effective use of our Pupil Premium funding.

### Chadsmead Beliefs

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Pupil premium spending should be allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough.
- Pupils who receive free school meals are not necessarily socially disadvantaged or making inadequate progress.
- Not all pupils who are socially disadvantaged are registered or qualify for free school meals.
- Our Pupil Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Pupil Premium funding should be spent according to ‘best value principles’ and related to activities which research suggests will make the very best use of the finances available
- It is important to take a ‘long term view’ to stop achievement gaps from widening. Some of our long-term objectives will take more than an academic year to come to fruition.

*Please note: Whilst many of our highly focused short term initiatives are beginning to show success, a number of our initiatives are designed to be ‘cumulative in their impact’ i.e. their success is planned to be shown over time and across different aspects of the child’s life.*

*Each PP Child at Chadsmead has their own Pupil Passport to record the experiences, achievements and experiences that each has through the academic year.*

*All work involved in the Pupil Premium Strategy is undertaken within the constraints of the whole school re-opening risk assessment - reviewed fortnightly by the head teacher / SLT.*

### Measurement of Pupil Premium Funding Spending at Chadsmead

Effectiveness of Pupil Premium money will be measured through:

- Termly Pupil progress results of attainment over time;
- Evidence from book scans, learning walks, pupil progress meetings; formal performance management of teachers and teaching assistants by senior leaders as well as by external stakeholders;
- Performance Management of the SENCO / PP Champion by the Head teacher.
- Pupil voice & feedback from learning experiences;
- Impact of intervention programmes at termly / half termly review points
- Impact of Professional Development training on staff and its impact on children
- Termly tracking of PP children – Pupil Passports & Graduated Response

**All work undertaken in relation to the PP Strategy will be noted against the priorities stated above, which will be updated at the end of each term during this academic year..**

### Future Pupil Premium Funding at Chadsmead

The funding received at Chadsmead Primary Academy can be predicted depending of Government decisions to maintain Pupil Premium Funding:

### Applying for Free School Meals / Pupil Premium Eligibility

Parents/carers wishing to apply for free school meals should contact the school office where you can complete an application form. This is available if you receive any of the following benefits:

The entitlement criteria from 1 April 2018 is -

- Income Support
- Income Based Job Seekers Allowance
- Income Related Employment and Support Allowance
- eligible for Child Tax Credit **but not** Working Tax Credit and the household income (as used by HMRC to assess tax credits) is not more than £16,190. **Please note:** anyone eligible for Working Tax Credit, or if you have a partner and they receive it, regardless of Income, you will not qualify
- The Guarantee element of State Pension Credit
- Support under part VI of the Immigration and Asylum Act 1999
- In receipt of the 4 week run on of working tax credit (this is where someone becomes unemployed or reduces their hours and so is no longer entitled to working tax credit but will continue to receive it for a further 4 weeks and is entitled to free meals during that time)
- Universal credit (provided you have an annual net earned household income of no more than £7,400 as assessed by earnings from up to three of your most recent assessment periods). Your net earned income is your household income after taxes and deductions and does not include income from Universal Credit or any other benefits you may receive.

**Please note:**

From September 2014, if parents have an infant age child (those in Reception, year 1 or year 2) they can receive free school meals even if they don't meet the entitlement criteria listed above and without completing our application form. However, for every pupil registered with the council as eligible under the entitlement criteria, the school will receive additional funding called Pupil Premium which we use to help raise achievement levels as stated above in our priorities. Therefore, if you meet the criteria, have a child in reception, year 1 or year 2 and have not applied for Free school meals, it is imperative that you do so in order to obtain additional funding for your child's school.

Changes to the above criteria occurred as of 1<sup>st</sup> April 2018 – please refer to
