

Welcome to Chadsmead's weekly newsletter which I hope to send to all families each week whilst schools are closed.

The school closure weekly newsletters will be sent out as a message using the My Ed app. If you have not downloaded the app yet and are having difficulties, please use the contact section of the website.

The work for the Easter Holidays will be available soon and we will advise you of when this is.

School has been closed for a week now, I am sure the weather has helped to lift spirits at this difficult time.

Wishing all of our Chadsmead families the very best during this unprecedented time. Stay Safe.

The work that was set before school closed was to cover 2 weeks, so that takes us up to the Easter Holidays. If you didn't manage to collect your child's envelope of work, it is available on the website. If you are not in isolation and want to collect the work, please send a message through the app and we will arrange for this to be available.

NHS Update

Please make sure you are staying up-to-date with the most recent guidance on our national response to Coronavirus (Covid-19).
