Read Write Inc. Phonics Parents' Meeting – Phonics Screening Check

Reading changes everything

Today I want to help you understand more about the Phonics Screening Check.

In December 2018, research found that nearly 90% of children who passed the phonics check taken in Year 1 reached or exceeded the expected standard in reading in Year 6.

What is the Phonics Screening Check?

- Children read 40 words.
- It takes between two and five minutes.

Phonics Screening Check is a word reading test that all Year 1s undertake in June.

If they do not manage to read approx. 32 of the words, they are given extra support, and repeat the check at the end of Year 2.
