

## Forest Poem

I am the wonder of the forest,  
Come walking and have a look,  
You'll see:  
Silly squirrels,  
Green grass,  
And giant trees above.

You'll see:  
Wild flowers,  
Awesome hills,  
And views that you will love.

You'll hear:  
Birds tweeting,  
Creatures scampering,  
And children climbing trees.

You'll feel:  
A sense of calm,  
The sun on your face,  
And a lovely cool breeze.

I am the wonder of the forest,  
Come walking or have a run,  
Stop, listen and stay a while,  
Relax underneath the sun.
