Mrs. Cairncross – Dan

Mrs. Barry – James

Mr. Crowther - Harvey

Pencalenick School Council meet alternate Monday mornings at 9.30am in the Quiet Dining Room. Recently we have discussed what charity to raise money for; Christmas Jumper Day is on 17th December and the School Council would like to raise money for Cancer Research. All pupils and staff who would like to take part in wearing a Christmas jumper are asked to contribute £1 and all money will be given to Cancer Research.

One School Council member asked if we could put some posters in all the toilets about flushing the toilet after being used. We now have posters in all the toilets.

There is a new Pupil Suggestion Box in the School Reception. This is for pupils to write down any ideas, concerns and/or worries they have about the school. The School Council will look through the suggestions and provide support where possible.

For some time, the School Council and pupils have been asking staff about new equipment for the playground. As a school we need to think about age appropriate play equipment and interactive creative play. Mrs. Zimmerman is aware that the School Council has made this request and we are hopeful that there will soon be some news about our playground.

As you can imagine the pupils would like to have lots of new equipment for their school. Here are just a few examples from the School Council:-

Astro turf pitch in playground

Indoor swimming pool

Bigger gym

More activity holidays out of Cornwall

I would like to encourage parents/carers to speak to their children about what matters to them at school, whether positive or negative, and to enter their ideas in the suggestion box. The School Council do read them, and we want to provide support where we can.

Thank you for your continued support,

Kelly Dorman
