

Artist	
Full Name	Georges Seurat
Born Died	2nd December 1859, France. 29 th March 1891, France.
Education	Georges attended the School of Fine Arts in Paris starting in 1878. He also had to serve a year in the military. Upon his return to Paris he continued to refine his art skills. He spent the next two years drawing in black and white.
Art Movement	Pointillism: Seurat was the first artist to develop this technique and then other artists copied it.
Interesting facts	Georges Seurat must have had a lot of patience to paint such large complex paintings using only small dots of colour. His paintings worked a lot like computer monitors work today. His dots were like the pixels on a computer screen.

Technical skills
<ul style="list-style-type: none"> Record and explore ideas from observation and experience. Mix and match colours Use different tools e.g. paintbrushes, cotton wool buds, cotton wool balls. Use different types of paint. Create different textures e.g. using sawdust.
