Statement of intent

At Heamoor School, we greatly value the importance of the early years foundation stage (EYFS) in providing a secure foundation for future learning and development.

This policy has been developed in conjunction with the relevant DfE guidance and legislation to ensure that each child has a happy and positive start to their school life in which they can build a foundation for a love of learning.

We ensure that children learn and develop well and are kept healthy and safe. We promote teaching and learning to ensure children's 'school readiness' and give children a broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

We seek to provide:

- **Quality and consistency**, so that every child makes good progress and no child gets left behind.
- **A secure foundation** through learning and development opportunities which are planned around the needs and interests of each child and are assessed and reviewed regularly.
- **Partnership working** between practitioners and parents.
- **Equality of opportunity** and anti-discriminatory practice, ensuring that every child is included and supported.

- 2.1. The governing body has the overall responsibility for ensuring there is a policy in place to safeguard children that includes an explanation of the action to be taken when there are safeguarding concerns about a child, the use of mobile phones and cameras, and staff safeguarding training requirements. These issues are addressed in part in this policy and in further detail in the school's Child Protection and Safeguarding Policy and GDPR Policies
- 2.2. The governing body has the overall responsibility for ensuring there is a policy in place in the event of an allegation being made against a member of staff. These issues are addressed in the school's Allegations of Abuse Against Staff Policy.

- 2.3. The governing body has the overall responsibility for the implementation of this policy.
- 2.4. The governing body has overall responsibility for ensuring that this policy does not discriminate on any grounds, including, but not limited to, ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- 2.5. The governing body has responsibility for handling complaints regarding this policy, as outlined in the school's Complaints Procedures Policy.
- 2.6. The EYFS lead in conjunction with the headteacher, has responsibility for the day-to-day implementation and management of this policy.
- 2.7. Staff, including teachers, support staff and volunteers, are responsible for familiarising themselves with, and following, this policy.
- 2.8. Staff, including teachers, support staff and volunteers, are responsible for remaining alert to any issues of concern in children.

3. Aims

- 3.1. Through the implementation of this policy, we aim to:
 - Give each child a happy and positive start to their school life in which they can establish a solid foundation for a love of learning.
 - Enable each child to develop socially, physically, intellectually and emotionally.
 - Encourage children to develop independence within a secure and friendly atmosphere.
 - Support children in building relationships through the development of social skills such as cooperation and sharing.
 - Work alongside parents to meet each child's individual needs to ensure they reach their full potential.
- 3.2. Four guiding principles shape our practice:
 - Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured.
 - Children learn to be strong and independent through positive relationships.
 - Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between the school and parents.
 - Children develop and learn in different ways and at different rates.
- 3.3. To put these principles into practice, the school:
 - Provides a balanced curriculum which takes children's different stages of development into account.

- Promotes equality of opportunity and anti-discriminatory practice.
- Works in partnership with parents.
- Plans challenging learning experiences, based on individual needs, which are informed by observation and assessment.
- Implements a key person approach to develop close relationships with children.
- Provides a safe and secure learning environment.

4. Learning and development

- 4.1. The EYFS curriculum is based on an observation of children's needs, interests and stages of development.
- 4.2. In partnership with parents, the school promotes the learning and development of pupils to ensure they are ready for the next stage of education.
- 4.3. There are seven areas of learning and development that must shape education programmes in EYFS settings. These are split into two sections – prime and specific; however, all the sections are interconnected and important.
- 4.4. The 'prime' areas of learning and development are:
 - Communication and language
 - Listening and attention
 - Understanding
 - Speaking
 - Physical development
 - Moving and handling
 - Health and self-care
 - Personal, social and emotional development
 - Self-confidence and self-awareness
 - Managing feelings and behaviour
 - Making relationships
- 4.5. The 'specific' areas of learning and development are:
 - Literacy
 - Reading
 - Writing
 - Mathematics
 - Numbers
 - Space, shape and measure

- Understanding the world
 - People and communities
 - The world
 - Technology
 - Expressive arts and design
 - Exploring and using media and materials
 - Being imaginative
- 4.6. Opportunities are planned to reflect children's interests and individual circumstances in order to provide each child with a challenging and enjoyable experience.
- 4.7. The EYFS lead will discuss any cause for concern in a child's progress, especially in the prime areas of learning, with the child's parents. A strategy of support will be agreed upon with the school SENDCo and consideration will be taken as to whether the child may have a special educational need or disability which requires additional support.
- 4.8. The school takes reasonable steps to provide opportunities for children with EAL to use their home language in play and learning whilst also ensuring that these children have sufficient opportunities to reach a good standard of English. During assessment, if a child is found to not have a strong grasp on English, the EYFS lead will contact the child's parents to establish their home language skills to assess if there is cause for concern about a language delay.
- 4.9. Each area of learning and development will be implemented through a mix of adult-led and child-initiated activity.
- 4.10. The school will respond to each child's emerging needs and interests, guiding their development through friendly and positive interaction.
- 4.11. Activities are planned with regard to three characteristics of effective teaching and learning in the EYFS:
- Playing and exploring – children investigate and experience things.
 - Active learning – children concentrate, keep on trying if they encounter difficulties and enjoy their achievements.
 - Creating and thinking critically – children have and develop their own ideas, make links between ideas, and develop strategies for doing things.

5. Inclusion

- 5.1. All children are valued as individuals irrespective of their ethnicity, culture, religion, home language, background, ability or gender.
- 5.2. The EYFS curriculum is planned in order to meet the needs of the individual child and support them at their own pace.

- 5.3. The Equal Opportunities Policy ensures that the needs of all children are met, regardless of any protected characteristics they have.

- 5.5. SEND in the EYFS setting will be monitored and managed by the school's SENCO Mrs L Osborne.

- 7.1. Assessment plays an important part in helping the school to recognise children's progress, understand their needs, plan activities, and assess the need for support.
- 7.2. Parents will be kept up-to-date with their child's progress and development, and the **EYFS lead** will address any learning and development need in partnership with parents, through the use of 'Tapestry' (Online Learning Journey)
- 7.3. Formative assessments are used to assess the learning and development of children in the EYFS. Staff members will observe children to understand their level of achievement, interests and learning styles. This information will then be used to shape learning experiences for each child.
- 7.4. Reasonable adjustments will be made to the assessment process for children with SEND as appropriate.
