

Complete a tally of your family and friends' favourite fruits. Use the information you collate to make a different type of graph. Choose from the examples below. As an extra challenge, is there anything else you could gather information for? Favourite books? Favourite meals? Favourite chocolates? How many items of clothing you have in each of the different colours? Over to you to get graphing! Please send us an image of your final graph 😊

		Tally	Number
	apple		
	banana		
	orange		
	grapes		
	strawberry		
	peach		
	watermelon		
	pineapple		

These are examples of the types of graphs and charts you could create to show your data:
