

Maths Tasks

Day 1- 22/10 – 2 pages of negative number work to work through (Negative Numbers and Temperature). Make sure you use the negative number lines to help you!

Day 2 – 23/10 - 3 pages of negative number work to work through (Counting Backwards Through 0 Using Negative Numbers Worksheet)

Day 3 – 2/11- 2 pages of negative number work to work through (Word Problems Involving Negative Numbers)

Day 4 – 3/11 – 1 page of rounding to work through (The Nearest 10, 100 and 1000)

Day 5 – 4/11 – 3 pages of number sequences to work through (but you only need to choose 1 to complete). The last page is the trickiest.
