

Ma maison fantastique

(My Amazing Home)

Draw a picture of your dream house – you can have anything you want!

Use a dictionary to find the names for some of the things you'll have in your home and label the picture neatly. (If you don't have a dictionary at home, go online to this website: [collinsdictionary.com/dictionary/english-french](https://www.collinsdictionary.com/dictionary/english-french), where you can translate anything you need.)
