

Number of pupils and grant received	
Total number of pupils on roll (January 2014)	362
Amount of PE and Sport Premium Grant	£9,800

The above funding **part funded** the salary of a full time specialist PE teacher who implements a structured programme of shared teaching and CPD. The ambition is to skill up and increase the subject knowledge of teaching staff. The Sports Premium Grant does not cover all of the cost for this but is a great help in providing a programme for sustainable PE development.

Employing this additional member of staff supported the following activities:

- A specialist PE teacher to provide:
 - A programme of weekly CPD to all teachers in the teaching of PE, through demonstration; shared teaching; observation and feedback.
 - Developing and implementing a scheme of work for PE
 - Systems and resources related to the teaching of PE.
- Purchasing specialist equipment and teaching resources to develop non-traditional activities
- Applications for funding to develop the resources available for the teaching of PE both within and beyond the curriculum.
- Identifying and using existing local sports networks
- Activities for pupils beyond the curriculum.
- Establishing the process to begin the generation income in 2016-17 to support the above costs and to support PE development at the school.

Sports Premium – Impact of the funding for 2015-16

The impact of the additional funding can be seen in the increased participation by pupils in physical activity. Paul Ryan's main function is to provide high quality CPD to teachers in delivering PE lessons, however, Paul's commitment to the role is also reflected in the wider opportunities that are available to pupils. This data will also be collected for 2016-17.

In addition to the above data, a highly successful Sports Day was held towards the end of the Summer Term at Sheffield University's Goodwin Athletics Centre. Of all the venues we have used, this received positive feedback from parents because it felt safe and parents had good spectating opportunities due to the layout of the facilities.

The second annual Sports Presentation Evening in the Summer Term 2016, held at the Sheffield University Students Union, demonstrated the enthusiasm of pupils and parents in the wide participation in so many sporting activities – Well done Hunter's Bar!
