

Dear Parents/Carers,

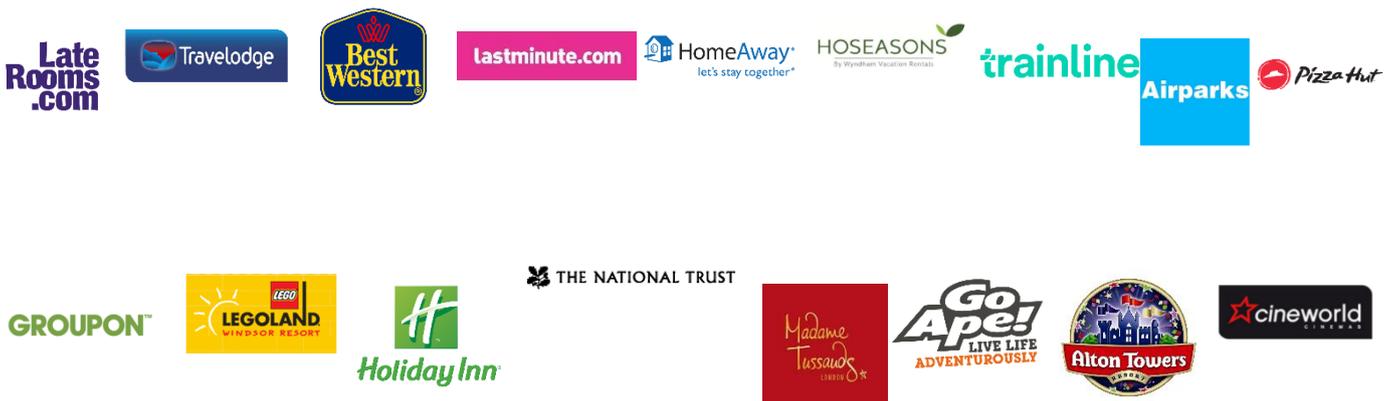

We are very excited to tell you about our new venture with Easyfundraising!

Friends of North Duffield School have partnered up with over 3,400 big name retailers who make charitable donations on your behalf, every time you shop online. It only takes a minute to register and all you need to enter is your name and email address. The donations will cost you absolutely nothing and require very minimum effort. The site is completely secure and none of your data is shared, it only registers the link from our cause to the retailer so they know who to donate to.

<https://www.easyfundraising.org.uk/causes/fonthduffield/>

To make it even easier you can add a really useful 'pop-up' donation reminder to your toolbar, so that every time you are about to buy something online with one of the thousands of companies who partake, it will remind you to activate the donation. The only shops this pop-up doesn't work with is Amazon and Ebay as they have their own in-house charitable systems, but it is only one extra click of the mouse for you to go to our Easyfundraising page first then click on their shop logos before you buy.

There are so many companies involved in this scheme. Perhaps you, your friends or family travel a lot with work and need to book hotels or train tickets, maybe you're thinking of renewing your insurance or utilities via a comparison site, do you buy your weekly groceries from a supermarket or have you already started thinking about your Christmas gift shopping? If so, then PLEASE support us. The companies shown below are just a very small handful of those who you might come across next week, so whatever you're doing this Half Term (and every time you're about to pay for something online) you can probably get our school a donation!

Thank you so much for your ongoing support.

*Friends*
