8th October 2021

Dear Parents

School Photographs

The school photographer will be in school on Monday 18th October to take individual photographs of the children. We will be using Tempest Photography as they are able to provide us with a contactless system of ordering and delivering the photographs.

To facilitate the contactless ordering, we will need to upload pupil's names, class number and parent contact information (mobile telephone number and email address) to Tempest's secure GDPR compliant portal. Tempest will then text/email parents with a link so orders can be placed online. The school will delete these details from the portal once orders have been delivered.

Please can you email the school office, admin@northduffield.n-yorks.sch.uk, as soon as possible and by Wednesday 13th October if you do not wish for your mobile number and email address to be shared with Tempest.

If you wish for a photo to be taken with younger pre-school siblings please come to the hall doors nearest to the school office for 8.30am.

Kind regards

Andrew Russell
Headteacher
