## Live Kitchen

Thank you for all registering for the Live Kitchen. This system will be up and running and going live from June 11th. We hope to get a time this week for someone from county to come in and show you all how to work it and what the changes will be.

## Staffing update

I will be sending out a more detailed letter with the end of year reports about your child's class and teacher for September but here is a brief update about this half term.

Mrs Brown will be returning on June 14th. The plan is she will teach year 1/2 (Miss Fawcett's class) each morning supported by Mrs Humble. In the afternoons Mrs Brown will run the 2 year old provision as this will be her class in September. From September we will be running Turtle Tots every morning from 8.40—11.40 with Mrs Brown being the teacher in this area. If you have not registered for your child's place or you know anyone interested in a place please let us know as soon as possible. At present we have 2 available spaces.

Miss Fawcett will remain teaching year 3/4 in Mr Routledge's absence.

I am sad to inform that from September Mr Routledge has decided to relocate and commence a teaching role away from the North East. We are very sad to see him go but he is coming back for a few weeks before the Summer holidays to see you all and say goodbye to the children.

We are delighted to say that we have employed a new teacher from September called Mrs Myers and she will be joining us to teach in Key Stage 2. She will be joining as Assistant Headteacher and she comes with over 20 years teaching experience.

Mrs Atkinson all joins our team as a Teaching Assistant.
