***We have spaces in Turtle Tots—  
spread the word.***

## Farm Visit—KS2

Key Stage 2 really enjoyed a visit to Broxfield farm and Alnwick Castle last Tuesday.

## Attendance

Please remember to get our green standard, attendance needs to be 96% or above for that half term. Every day counts and affects the progress your child makes.

Term time holidays **will not** be authorised at all from September.

Term time holidays have really affected our overall attendance this year and we will be seeking advice from NCC and issuing fines if parents continue to book in term time.

## Clarty Commandos Forest School Visit -Tuesday 2nd July

Please make sure you dress your child in a long sleeved top, long trousers, a waterproof coat and sensible shoes. We are off to join Mark for the day who is the amazing Forest School teacher who leads many different groups and is the owner of Clarty Commandos.

We are excited about this visit.

## ICE CATS training

On Wednesday and Thursday this week the pupils, staff and hopefully you parents will take part in some safety training.

Wednesday 3rd July 9-10am PARENTS MEETING ABOUT SAFETY IN SCHOOL

Thursday 4th July 2-3pm PARENTS MEETING ABOUT SAFETY IN SCHOOL

You only need to attend one if you can. You will learn about why we have to have a lockdown policy in school and how we work together to keep children safe in a supportive way and in a way that does not frighten or

## Transition Week—15th July—19th July

On the last week of term we will spend time in the class your child will be in September.

Next Monday we will be sending class leaflets about the class teams and routines your child will have as there are some changes to some classes in September. We want to make the transition as smooth as possible for our pupils so we want to make sure we spend the whole week adjusting to the new classes and routines before September. Any Turtle Tots moving up will take part in this transition that week too.

Recommendation from a parent—Did you know there is a fabulous football club in Bedlington called Superstar Soccer Community Group for ages 4-16 years old who have additional needs. This runs every Wednesday from 5.15—6pm for £2 at the Football Factory in Bedlington. Email [superstarsoccercg@gmail.com](mailto:superstarsoccercg@gmail.com) for more details.
