

# Cambois Blog

Monday 28th January

Please remember school starts prompt at 8.50 children need to be on time for school—if we can help let us know.

## Artist Visit

Key Stage 2 really enjoyed the artist visit last week organised by Mrs Myers. We have some talented children and they loved this experience .

## Breakfast club

This week we start our new club before school from 8 a.m. This is in response to a few requests from parents who were struggling to get to work on time with our 8.30 start. We are charging £1 a child per day to cover the staffing costs and also the resources we will provide. Children can play games, use the computers, play with lego and draw. There is no need to book and you can just turn up on the day. Come in via the office and children will go down to the library where the club will be held.

We have also trailed some different foods and items in breakfast club but we welcome your input and ideas of any other ways we can help improve this.

## Green trip

This half term our green trip will take place on Friday 15th February. It will be swimming and bowling at Concordia which was voted for by the children. Your child needs to get above 96% attendance over this half term to be green. Our children love the green trips and I allocate about £5000 of the school budget each year to this system as it truly works to improve all those things that contribute to effective learning. Again the parts that are letting some children down are attendance and punctuality, both are things you as parents can control. Please let us get this right for your children.

## Green standard is:

Read at home at least twice per week

Be on time

Attendance of 96% or above

Make good behaviour choices

Have the correct uniform and PE kit

Always try their best—effort

## **Dates for the diary—Spring term 2019**

**Thursday's 3-4pm** —football club for Key Stage 2 children

**Thursday 31st Jan**—year 3 & 4 trip to Live theatre
