Remembrance Service

Thanks to the children from years 5&6 who put on a super display for the East Bedlington Parish centenary celebration. A huge thanks to John Batey for his work and effort in this project and to the parents, governors and carers who attended. It makes me very proud to take the children places as they are always super ambassadors of our school.

OPAL

This week we are looking for donations of any old bed sheets, prams, pushchairs or buggies for our playground. Last week we opened up the mud kitchen area that Mark has built and the children are loving it!

THANK YOU

I would like to thank Jeff Sanders, who is our wonderful Chair of Governors, who helped to make dinner one day last week. The Cambois team are a unique team who always go that extra mile and muck in together. No other school would be lucky enough to have the governors come and cook and wash dishes! Thanks Jeff.

Year 5&6 Cinema Visit

Year 5&6 enjoyed a super visit to the Vue cinema to see the movie Wonder. This was a book that the class will be reading at the request of Megan in year 6. The story is a remarkable story about inclusion and acceptance. Something that is a crucial part of our ethos here at Cambois.

Road Safety Day—Wednesday 21st Nov

We are working with the team from the North Sea Link to learn about Road Safety. The children can come in non school uniform on this day to raise money for the North East Ambulance who helped save the life of one of our parents last year. The children will take part in a host of activities to promote road safety especially when the nights are getting darker. The National Grid will be back in running this day as they continue their fantastic support of our school.
