Lunchtime Supervisor Vacancy

We are very sad that Mrs Davies will be leaving us in a few weeks time as she has secured a job in a local nursery. We wish her well and we know she will be great in her new job.

There is now a vacancy for the post on the North East jobs page. People applying for this post will need to have a DBS carried out and the form completed thoroughly along with two referees.

Safer Internet Day— Tuesday 7th February 2017

We will be holding an all day event to educate the children about keeping safe online. We thought as parents and carers it would be very useful if you could attend a parent workshop. I know I learnt a lot about keeping safe online and I did not realise the extent of the dangers our young children face.

We are going to hold parent workshops twice so it gives all parents a chance to attend.

The workshops will be held on Safer Internet day and last about 30 minutes with the opportunity for questions at the end.

The first session will be 9-10am and this session will be repeated at 3-4pm. Please sign up at the office if you want to come to the session so I can plan for the correct number of people.

ATTENDANCE

I am concerned about the number of 'odd' days children are having off. This seems to increase on Friday and Monday's. I am due to have a meeting with our education welfare officer next week and this will be flagged and parents who are under 95% attendance will be the target group as attendance under this is what they highlight as a prosecutable offence,

A few of our children play for Stakeford Juniors. Could we support this cause below?

9 years ago Stakeford Juniors supported a fantastic cause founded by Derek Williams. Derek visited an African school back in 1998 and was amazed by the reception he got purely because he was wearing a football shirt. Nineteen years on Derek is still sending football kit and equipment donated by the generosity of English clubs at professional and grassroots level. Stakeford Juniors will be supporting this fantastic cause again and are seeking donations which include

- Football kits - Newcastle etc (adult/kids)
 - Football boots
 - Trainers
 - Shin guards
 - Goalie gloves
 - Footballs
 - Trophies
- Match Attax cards

2 years ago support from the club was amazing and much appreciated. Should anyone want to support Kit Aid this time round all donations are now being gratefully accepted.

If anyone wants to donate please get in touch either through the page or 07931888817 or send things in to school and we will ensure they get your donations.

Dates for the Diary

Tuesday—Year 1 and 2 are going to Pizza Express

Cheerleading after school—can you make sure you speak to your child about joining in as a few children came last week and spent most of the session sitting on the bench when there were other children wanting places.

Thursday 19th—NUFC after school football club.

Our pupil of the week last week was Nathan Jarvis for his super effort in phonics and showing fantastic maths skills using number bonds. Well done!
