## After school clubs

Dance for all ages Monday's for 6 weeks.

Football for Key stage 2 Thursday's for 12 weeks.

3-4p.m.

I would remind parents that if children cannot behave appropriately during these sessions then they will be asked to not return the following week.

## Swimming

Swimming continues on a Wednesday afternoon at a cost of £2.00 per week. Please make sure your child has a suitable one-piece costume or swimshorts, a towel and goggles if they want them.

A huge welcome to our new member of staff Mrs Beattie who will be working in Early Years supporting our youngest children; a fantastic addition to our school team. Welcome also to our 2 year olds who started in Turtle Tots this week with Mrs Campbell, Miss Taylor and Miss Ireland, they are settling in nicely.

The Tuck Shop has reopened this week under new management: Holly, Bethany, Ellie, Deaken, Megan and Kelsi have taken charge, choosing their own roles based on their own skills.

The school council members have also completed their first task, gathering the children's ideas on our Green trips this year.

Miss Fawcett's class have been very excited this week, using the vegetables grown in the school garden to make soup and very nice it was to! They even had some vegetables left for Mrs Sample to use on our dinner's this week.

A special thankyou to Lennie Sample for making our Turtle Tots new coat racks and a blackboard.

Good luck to Steph Flynn who has been nominated for The Parish Council Volunteer of the Year and has reached the final five; what an achievement.

### **Dates for the Diary—**

**We have tried to set as many dates in advance as possible so you have plenty time to plan and be aware of things coming up.**

Thursday 14th and 28th September: Get Off Your Stabilisers with Dr Bike. Use a school bike or bring your own, open to all the children.

Monday 25th September 2pm: Harvest Festival at St Andrew's, come and join us for a special celebration.
