Monday 29th January 2018

REMINDER

Miss Dorner does not work on Fridays from now on. Please be patient when ringing or at the door as I am not always available.

Well done to the children from Key Stage 2 who went to the NUFC football tournament last week. The girls will be off to a similar tournament this Thursday (1st Feb).

Dates for the Diary

Thursday 1st Feb - girls Football tournament.

Tuesday 6th Feb - mobile dentist coming to school to see all the children.

Thursday 8th Feb - Valentine's disco.

Friday 9th Feb - break up for the half term holiday.

There is going to be work being carried out directly outside of school for a period of three weeks. This is work being undertaken by NCC to put in some traffic calming systems outside of the school and through the village. Please be patient with this and make sure you arrive in good time for collections and drop offs. I have been assured the work will take place between 9am-3pm to avoid as much disruption as possible.

Reminder: Homework and reading are part of our progress files. Too many children are not achieving green due to these things. They really need your support in this matter.

Reading is proven to be the biggest contributor to successful learning.
