Dukeshouse Wood—KS2

Please could you start to now make little and regular payments towards the residential trip as before you know it, it will be the deadline. This is fantastic value for money for a full weekend of activity for your child and still cheaper than any other local school.

OPAL—outdoor play and learning

This week we are looking for suitcases. Thanks to those who have already returned them. Ask your child about what they have enjoyed about the changes at play-time last week.

Mr Allan—play leader

Mrs Atkinson—play co-ordinator

Teamwork

We are going to be electing our new school council this Tuesday. The children have been learning about democracy and what makes a good school council member. The children will vote this Tuesday and results will be announced on Friday.

TEAMWORK
coming together is a beginning
keeping together is progress
working together is success

- Henry Ford

REMINDER—SCHOOL STARTS AT 8.50—Too many pupils are turning up for school late.
