## World Book Day - Thursday 1st March

This Thursday is World Book Day. Remember we are doing special activities in class to promote reading. We sent a letter about this last week. Do you know anyone who could come in and be a secret reader? In a few weeks time years 3,4,5 and 6 will be going to visit real authors to inspire the children even more about reading. We will send you more details about this nearer the time.

## Toilet Training workshop - 12 -3 (drop in when suits you)

We have Briony Trafford, health visitor, working in school this Thursday 1st March during the afternoon to support families with toilet training their children. Any child who takes part gets a free potty to customise and decorate. Please let us know if you plan to attend. We hope you can make it.

## Inspirational Women

To celebrate Mother's Day coming up and also International Women's Day we will be learning about women through history as well as the women in our lives. We invite you all to a special assembly on Friday 9th March at 9 a.m. to come and see what we have been learning and to join in our celebration. On this morning the PTA will be holding a special Mother's Day raffle.

### What is international Women's Day?

International Women's Day is a holiday that **honours** women and promotes women's rights. It takes place every year on March 8th. International Women's Day dates back to 1911, when many women were **fighting** for the right to vote. The United Nations (UN) began sponsoring the day in 1975.

### **Dates for the Diary -**

We have tried to set as many dates in advance as possible so you have plenty time to plan and be aware of things coming up.
