Staffing update

As most of you know, Mrs Darbyshire has had her lovely baby boy Oliver eight weeks early in the Easter holidays. Therefore, I will be teaching her class for this half term in preparation for the year 6 SATs alongside Miss Beckwith.

Mr Routledge is also off at present so Miss Fawcett will be teaching year 3/4 alongside Miss Cole. Mrs Trood, a very experienced teacher will be teaching in year 1/2 during this time. We also welcome Mrs Kirsty Humble to our team who is undertaking her teaching and learning certification. Mrs Brown is due to return from her maternity leave in June. Miss Ireland has also completed her apprenticeship so she is leaving us in May. We are busy recruiting two new apprentices to add to our team.

During this very busy time I would appreciate that if parents want to speak to me about anything they make an appointment at the office for after school time or send an email and I will endeavour to get back to you as soon as possible.

Reminder

Please ensure Y2 & Y3 have the correct clothing for forest school this Friday.

Family Fun Day—Sunday 6th May

Don't forget the above date is the family fun day at Cambois Club arranged by Amie Hart and Sue Hughes. It is looking to be an exciting day packed with fun activities raising money for our outdoor play areas. Amie, Sue and Miss Fawcett are also doing a sky dive as part of this fundraising. Should you wish to donate to this please use the just giving link below. All donations are greatly received.
