REMINDER

Homework is now a part of the progress files as mentioned in a news-letter a few weeks back.

CAMDONALD'S This Thursday 5th October

This Thursday is National Census Day in school and as I have previously told you this is how we are allocated funding for school. Part of the funding we receive for school is based on the amount of children having a school dinner on this day.

As an incentive to encourage you to have a school dinner Mrs Sample is doing a special McDonald's style lunch. The children will have chicken nuggets, chips and ice cream in a McDonald's box. All children in Reception, year 1 and year 2 are entitled to a free universal school lunch anyway but if they have been having packed lunch could you please let us know if you want them to have a special lunch instead? For any older pupils who are currently on packed lunch it will be a cost of £2.10 and you must let us know at the office asap so we have enough food.

AFTER SCHOOL CLUBS

Can parents please ensure children want to attend after school clubs before they sign them up as we have had many children dip in and out of clubs when other children could have had a space. Also, when children don't really want to be there they can become disruptive which ruins the experience for other children and makes things difficult for those running the clubs. Unless there is a valid reason children need to be encouraged to persevere with a club they have signed up for. After half term children who don't attend without a valid reason will be removed.

Dates for the Diary—thing coming up

Harvest Festival Monday 25th Sept at 2p.m. at Church
