

Summer Term Newsletter No.11

Short and sweet newsletter this week! The children all met their new teachers and visited their new classroom on Thursday. This is always an exciting, but nervous, time for children. Despite the initial nerves we know, from years of experience, that all the children will settle into their new classes, make new friends and love the new experiences that the next school year brings!

Thank you to the PTA who worked so hard to organise the Fair on Friday. The PTA have worked hard through the year to organise fun events for the children and raise money for the school. We really appreciate the time they have given. Both the Chair and the Treasurer are stepping down from their posts this academic year due to family commitments and we cannot thank them enough for the time they have given the school. All the raffle tickets were drawn after school tonight - we will send home prizes with children where we can and notify other winners tomorrow. If you think you would like to be involved in the PTA next year please do consider it otherwise we could end up with no PTA and no additional events for the children through the year. We rely on parents to make the PTA a success.
