

## Autumn Term Newsletter No.11

Year 1 have been having fun this week. As part of their English lessons they have been learning about writing instructions. They have been making pizza faces and writing the instructions for someone else to follow—and then they got to eat their creations. We think they look fantastic.

St Margaret's girls' football team played Priory on the 19<sup>th</sup> November at home. We won the kick-off and then about five minutes in Brooke assisted Honey who scored an amazing goal. Priory had a few chances but weren't successful due to some very good goal keeping by Annabelle. The amazing defenders cleared the ball up the field several times which led to more shots at goal. We made lots of tackles and finally Emma assisted Honey with her second goal of the match. What a great team effort! Brooke was awarded player of the match.

### Home School Agreement

The Governing Body have made some amendments to the Home School agreement. This is being circulated to all families today and we would encourage you to read the covering letter and the new Agreement and send us a signed copy back. Home and School need to work together and have a mutual respect in order to best support the children. We will always listen to any concerns you have and appreciate you raising any concerns you have respectfully and appropriately, too.
