**Record of Decision**  
**An Daras MAT Board of Directors**  
**Determination of School Admission Arrangements 2021-2022 Across An Daras MAT Schools**

**1. Introduction**

As per the Department for Education School Admissions Code, each school’s admission arrangements need to be determined by 28<sup>th</sup> February in each determination year. Each school’s admission policy (arrangements) was initially agreed and then the arrangements were published on each school website during a period of consultation that lasted a minimum of 6 weeks between 1 October 2019 and 31 January 2020. Following this consultation period, it is confirmed that there have been no changes to these initial admission arrangements across the Trust schools.

It is impractical for the Trust Board to hold a full meeting just to confirm the arrangements that have not changed during to the consultation period, so approval has been sought and gained in writing from the Trust Board.

**2. Determination of Admission Arrangements**
