

It's your heart (do do do-do do-do)
It's your heart (do do do-do do-do)
It's your heart (do do do-do do-do)
It's your heart!

From your head (do do do-do do-do)
To your toes (do do do-do do-do)
From your head (do do do-do do-do)
To your toes!

It's in your chest (do do do-do do-do)
In your chest (do do do-do do-do)
In your chest (do do do-do do-do)
In your chest!

It makes you run (do do do-do do-do)
Really fast (do do do-do do-do)
Makes you run (do do do-do do-do)
Really fast!

Ribs protect it (do do do-do do-do)
Ribs protect it (do do do-do do-do)
Ribs protect it (do do do-do do-do)
Ribs protect it!

It never stops (do do do-do do-do)
Never stops (do do do-do do-do)
Never stops (do do do-do do-do)
Never stops!

It pumps your blood (do do do-do do-do)
Pumps your blood (do do do-do do-do)
Pumps your blood (do do do-do do-do)
Pumps your blood!

It's your heart (do do do-do do-do)
It's your heart (do do do-do do-do)
It's your heart (do do do-do do-do)
It's your heart!
