## Believe, Achieve, Aspire Buryan Bulletin

Where has that week gone?

It's so good to be back in school and have it full of life again with all of the children joining us.

It has been a tough few months for everyone and I think that it is great that our children are able to enjoy each other's company again – school was certainly a lonely place without them.

I just wanted to take a moment to really praise and thank the children for their positivity, re-learning routines, new routines and just how they have adapted to coming back into school. Our reception children have been particularly impressive as we were not able to do our usual transition with them, so they have shown great resilience and courage throughout the week and have settled into school life brilliantly.

I also want to welcome our new children and families throughout the school. It is great to have you as part of our wonderful school and community and I hope that you have enjoyed your first week with us!

The next few weeks we are all going to have to be patient, flexible and able to all work together. Thank you for your support thus far, it makes our job a lot easier.

Just to remind you of our main points:

**-Please turn up at the right time for drop-off and collection**

**-Please practice social distancing on and around the school premises**

**-Ensure that the school is aware of any changes to routine (different person picking up etc)**

**-Notify the school through your child's class teacher on clubs they are attending.**

**-Pre-book Breakfast Club through our website**

**-Payments may be made by BACS or on a Monday or Friday.**

**-To help cover for resources, we are asking for a weekly £1.00 voluntary donation for teacher-led clubs.**

**Children can attend as many clubs as they like during the week.**

We appreciate that there are some enforced changes that mean we have to manage some things differently, please understand that any decision made has the safety and well-being of the school community at the heart of it.

At the end of last term I updated you of our decision to join a Multi-Academy Trust (MAT). We are set to join LEAP (Leading Edge Academy Partnership) in October and we are really excited about the venture. It will mean us working with local, like-minded schools and will allow us to continue furthering ourselves and the opportunities we are able to offer the children of St Buryan.

We are now able to provide fruit to our Key Stage 1 children again, so they no longer need to bring their own snack in. Key Stage 2 children are still welcome to bring in their own **healthy snack**. We do request that they do not bring any items of food that contain nuts for their healthy snack. Thank you.

Please ensure that you are aware of our response to potential illnesses on the next page.

Well done to our stars of the week this week:

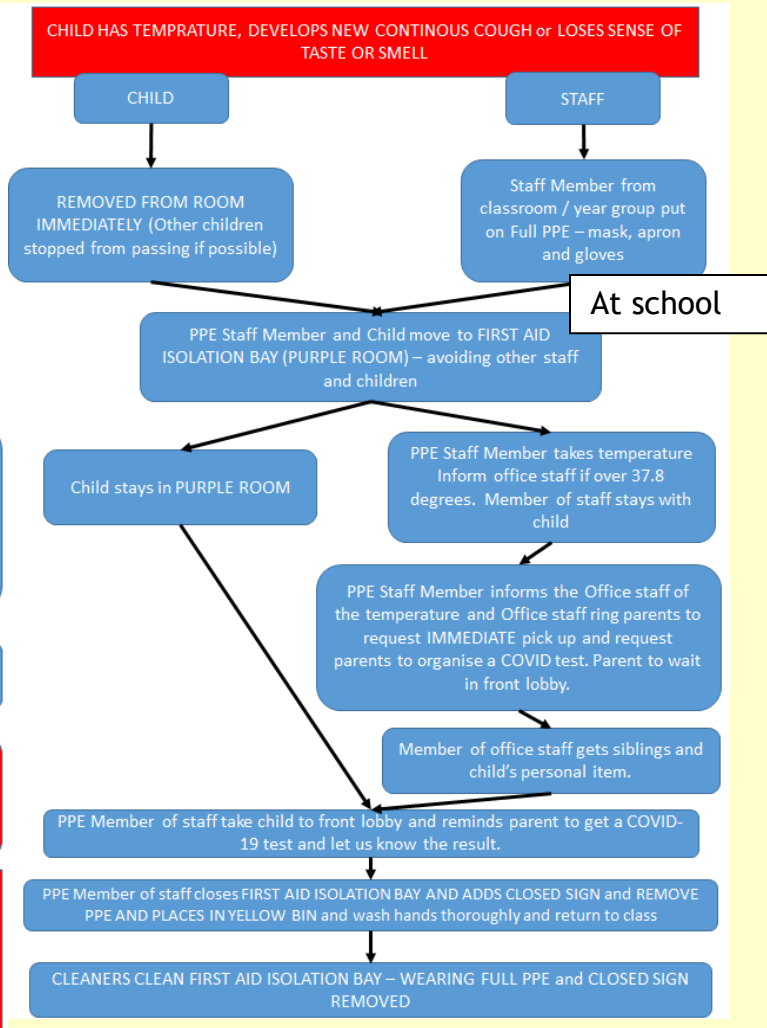

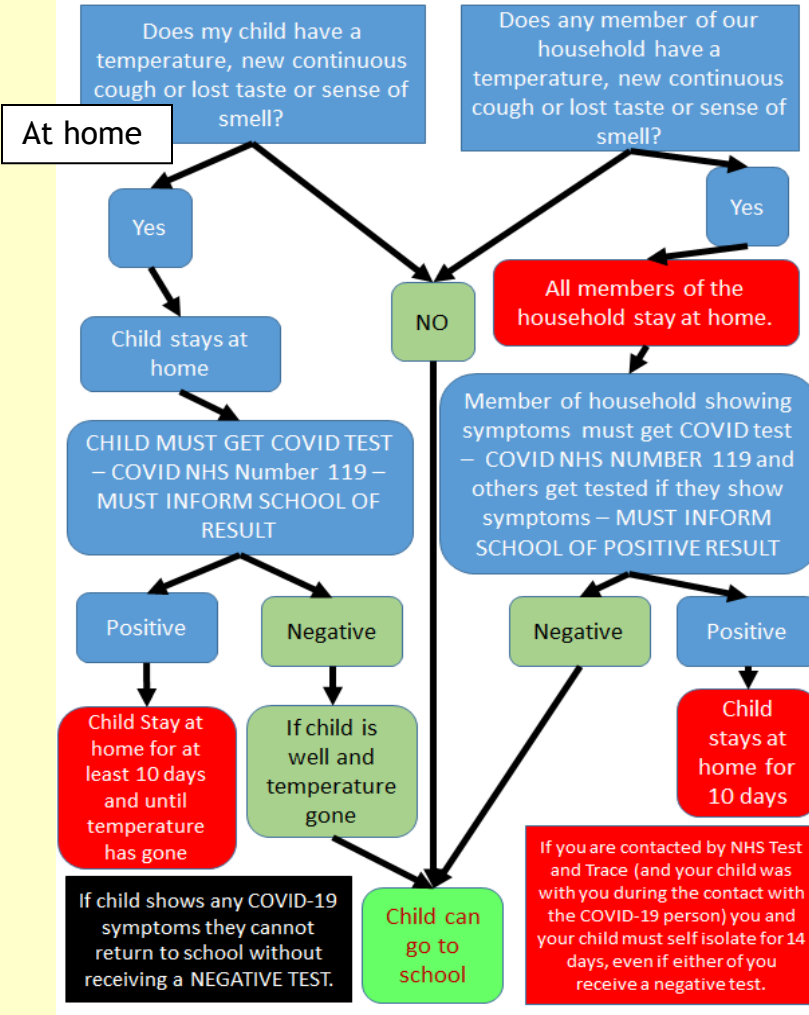

Harvey S, Ava, Jowan, Florence, Grace B, Layla and Lilly C!

Have a great weekend,

*Mr Josh McDonald*
