PRE-SCHOOL Last week we went on an autumnal walk over the millennium green. The children enjoyed walking through the leaves as they crunched under their feet and found an assortment of different shaped leaves, fir cones and acorns. This week we were very privileged to have the opportunity to see and chat to Mary and Jen, 2 firefighters in Florida Keys America. This was thanks to modern technology and Chris Vanstone, they showed us around their fire engine and explained to the children about the equipment and uniform they wear to protect themselves. It was a wonderful experience and we are very grateful to Chris, Mary and Jen for giving their time to chat with us.
