

Long Lane C.E. Primary School Marston Montgomery Primary School

March 2018

Dear Parents / Carers,

We have planned our second joint event for to take place on Thursday 22nd March at Long Lane Primary School. Our aim for this day is to continue to develop the friendships the children made at our first event in January.

Ashbourne Clay Rooms will be leading our sessions in the morning. The children will all make a clay figure which will be displayed during Ashbourne Festival in the Summer.

As it is a normal school day we would be requesting parents to transport their child(ren) to the host school, in this case Long Lane, for an 8.45 / 8.55am start. We know this might not be possible for some parents but if you are able to arrange sharing lifts that would be great. If you are unable to arrange transport, please speak to a member of staff. This would greatly help the budget. In this instance the school will provide the transport back to Marston at the end of the day.

On this day we will return the children to Marston by coach in time for the end of the day.

The Clay Rooms do not charge for their activity so we do not need to ask for a voluntary contribution for this day.

Please complete and return the slip below with your contribution by Monday 12th March.

Many thanks

Teresa Bosley
