

Long Lane C.E. Primary School Marston Montgomery Primary School

January 2018

Dear Parents / Carers,

We have planned the first joint event for our schools to take place on Tuesday 30th January at Marston Montgomery Primary School. Our aim for this day is that the children from both schools will start to get to know each other.

'The Happy Puzzle Company' are coming to lead two sessions. During the morning they will work with our Reception, Year 1 and Year 2 children. During the afternoon they will work with our Year 3 to Year 6 children. When the children are not involved in the puzzle sessions they will work together, with their class teachers.

As we move forwards in our collaboration it would be desirable if we could plan a joint event every half term, alternately at our schools. As it is a normal school day we would be requesting parents to transport their child(ren) to the host school, in this case Marston, for an 8.45 / 8.55am start. We know this might not be possible for some parents but if you are able to arrange sharing lifts that would be great. If you are unable to arrange transport, please speak to a member of staff. This would greatly help the budget. In this instance the school will provide the transport back to Long Lane at the end of the day.

On this day we will return the children to Long Lane by coach in time for the end of the day.

We are asking for a voluntary contribution of £3.00 per child to help with the costs of the day.

Please complete and return the slip below with your contribution by Monday 22nd January.

Many thanks
