

The Meadow Class - Spring 2018

A visit to the pantomime at The Regency Theatre, Stoke-on-Trent began our term. The children wrote entertaining versions of the story of Aladdin on their return. They were able to compare it with their own version of the in-school production from last Summer.

As part of their topic about Ancient Greece, the children designed and made paper-mache pots in art.

They also designed and made tiles based on Islamic patterns.

As part of safe-guarding, the children studied the importance of On-Line safety, producing posters to make others aware.

Derbyshire Fire and Rescue visited the children to discuss how to stay safe in the home by creating a fire safety plan.

The children took part in a problem-solving day with our friends from Long Lane School. They were able to put their growth mindset skills to good use!
