

## The Lost World - Homework Tasks

### Design and Technology:

Research the kind of habitats that dinosaurs would have lived in. Use a shoebox to create a dinosaur habitat!

Create a dinosaur menu for a herbivore, a carnivore and an omnivore. Be as creative as you can!

### Geography:

Research and find on a map continents where interesting fossils have been found. Use the map to record which dinosaurs lived where in the past.

### English:

Create a dinosaur themed acrostic poem! Which adjectives can you use to describe your chosen dinosaur?

Make an A-Z of Dinosaurs! Can you find one dinosaur name for each letter of the alphabet?

### Maths:

Some dinosaurs were 6 metres tall! Use a tape measure to measure your family and write down their heights in order from smallest to tallest. What else can you measure in your home?

Create a picture of a dinosaur using only 2D shapes.

### Art:

Use a range of media (paint, collage, crayons or felt tips) to create a picture of a dinosaur, a dinosaur scene or a dinosaur mask.

Write a dinosaur song to the tune of a well-known nursery rhyme.

### History:

Create a timeline from the Triassic period up until dinosaurs became extinct. Use a computer to help you research.

Use the computer to learn about Mary Anning. Who was she? Why is she significant?
